

Chromatic Storm

STUDIO

Soft Neutrals

Oat, bone, pale clay, warm fog, and the soft grey of unbleached linen. The kind of warmth that arrives slowly, settles into a room, and asks nothing of it. Soft neutral work holds abstract landscapes, slow florals, and quiet still lifes in the same low register, each piece painted as though the light were already fading. Brushwork stays loose, edges stay soft, the palette carries everything else. The slow end of a warm afternoon.
